How to connect to your RSL NSW  
email – MAC Mail

1. Click on *Mail*

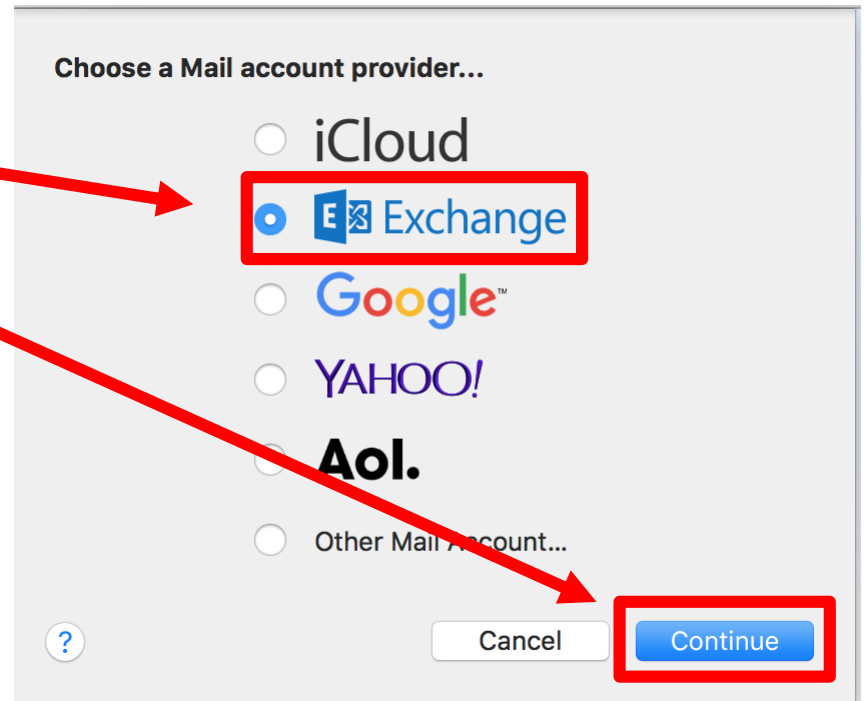

2. Click on *Mail*

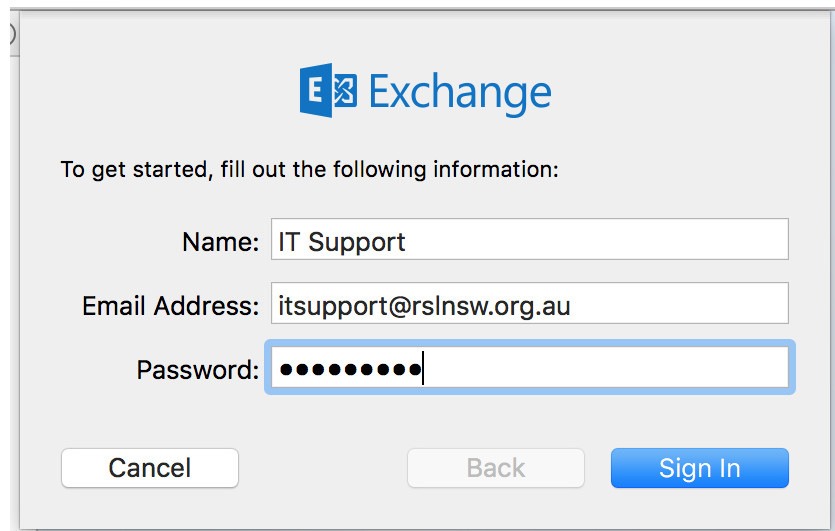

3. Click on *Add Account*

- 4. Select *Exchange*
- 5. Click on *Continue*

- 6. Put in your Name, Email and Password
- 7. Select *Sign in*

The image shows a Microsoft Exchange sign-in dialog box. At the top, it features the Exchange logo and the text "Exchange". Below this, it says "To get started, fill out the following information:". There are three input fields: "Name" with the value "IT Support", "Email Address" with the value "itsupport@rslnsw.org.au", and "Password" which is currently filled with ten black dots. At the bottom of the dialog, there are three buttons: "Cancel", "Back", and "Sign In". The "Sign In" button is highlighted in blue.

## 8. Select Done

Your emails are now setup on MAC Mail
