

## Public Liability Insurance

This policy indemnifies the RSL sub-Branch Committee, Women's Auxiliary &/or their Members against negligence claims brought against them by third parties being Members of the Public for personal injury or property damage as a direct result of the sub-Branch's or Women's Auxiliaries activities.

Example: The sub-Branch holds an ANZAC Day march through the town Centre. A horse, which is part of the march, becomes frightened and gallops in to the surrounding crowd injuring several people. These injured parties can hold the RSL sub-Branch's Executive personally liable for all costs and expenses.

Please note: Renewal date is 31st May each year. A renewal account is sent each year by Scott & Broad to sub-Branches who were insured the previous year inviting them to insure again.
