

Personal Accident Insurance

This policy covers all Members against accidental death and/or disablement whilst attending sub-Branch/Auxiliary meetings/activities and/or representing RSL sub-Branches and/or Women's Auxiliary at official RSL Activities including direct travel to and from their place of work or home.

Examples: 1. A Member whilst attending a sub-Branch Ceremony falls down stairs and subsequently dies.

2. Sub-Branch delegate is disabled whilst performing his/her District Council duties.

Please note: Renewal date 31st May each year. Scott & Broad do not supply a renewal account.

Due to the recent full implementation of the Financial Services Reform Act in March, 2004 the renewal procedure which was used in the past is no longer possible. The Act specifically prohibits anyone collecting insurance premiums on behalf of another party. While State Branch can still forward the application form to each sub-Branch, **the completed application forms and remittance cheques need to be returned to Scott & Broad by each individual sub-Branch.**

**PLEASE DO NOT SEND YOUR CHEQUE TO YOUR DISTRICT COUNCIL
OR STATE BRANCH**

Renewal Procedure

- * Early March - State Branch forwards Application form to RSL sub-Branches.
- * March - RSL sub-Branches forward completed application forms together with the remittance cheque to Scott & Broad.
- * March/April - Scott & Broad renew insurance coverage.

The premium payable is based on a rate per person. This rate is set each year and is advised by circular to each sub-Branch.
