

Ballina RSL Sub-branch Treasurer

Sir,

Let me start by thanking you for visiting the FNC District yesterday. Your presentation and Q & A session was much appreciated. Turning to the subject matter, I would be most grateful if you could provide me with details of, how we in the FNC could facilitate the transfer of the Alstonville Veterans Advocacy Centre into the RSL NSW fold (RSL Life Care), should we determine that this is the right thing to do.

From my own point of view, the Strategic Plan has much merit and RSL NSW should pursue it with vigour. That said, the Returned Services League (RSL) should have all its members 'under one umbrella', and to this end I would encourage RSL NSW to keep all RSL Branches informed of what we are doing. After all eight united 'Branches' will have much more clout than one, when it comes to 'lobbying'.

Kind Regards,

Ted
